

St Mary's Community Nursery School

April 2019 - Update

A very short update for April but as always lots going on in school! Please check dates for events coming up this term. It is the last term for many of our children so our Afternoon Tea and Art Exhibition are a great way to celebrate your child's achievements and time at St Marys. Don't miss it!! More details soon. As the weather warms up please can I ask you to apply sun screen (8 Hour works well) to your child before schools starts. Also – please do not send your child in open toed sandals as it does present an increased risk when using the outdoor equipment. They will not be allowed to climb and may be asked to change into wellies. We are not being difficult. We want the children to enjoy themselves but always want to minimise any risk of injury. Let's hope the sun shines and we can enjoy the term ahead.
